Your New Masonic Charity **Essential Guide**

Building better lives by enabling opportunity, advancing healthcare and education and promoting independence for Freemasons, their families and the wider community.

For Freemasons, for families, for everyone

For Freemasons, for families, for everyone

English Freemasons have a long and honourable history of charitable giving. The funds raised have improved the lives of many thousands of Freemasons and family members, as well as those in the wider community, who are in need.

The formation of the Masonic Charitable Foundation brings together the full range of centralised charitable support that has evolved over more than two centuries. By providing a single focal point for all fundraising and charitable support activities, the new charity will provide a robust and modern organisation that is fit for the future.

I consider it a great honour to be the Grand President of the Masonic Charitable Foundation, one of the largest charities in the country. I commend it to you and trust that you will join me in giving it the active support that it deserves.

A Message from our Chairman and Chief Executive

In 1973, then Assistant Grand Master Lord Cornwallis commented that “the future of the charities is fundamental to the existence and success of Freemasonry”. It was with this in mind that our Presidents, Trustees, Chief Executives and staff embarked on a review, culminating in the launch of this new, overarching charity: the Masonic Charitable Foundation.

The launch of the Foundation marks a new era in the long and proud history of Masonic charity. It will build on the increasing collaboration between the four Charities over recent years and go one step further by providing a truly consistent, more readily accessible and highly responsive service to the Masonic community.

Just as the new logo depicts a charitable heart at the centre of

the widely recognisable square and compasses symbol, it is our hope that the Masonic Charitable Foundation will become firmly established at the heart of Freemasonry. We also believe that the Foundation has the potential to become instantly recognisable as a force for good within the charity sector and by the public at large through its support for the wider community.

The start of this new era is an exciting moment for Freemasonry and we hope you will embrace your new charity as you did its predecessors.

Who is eligible?

Those seeking support must demonstrate the following:

♥ A Masonic connection

Those seeking support must be a Freemason or have a strong family connection to a Freemason under the United Grand Lodge of England. The Freemason does not necessarily need to be a subscribing member, but he must have been before the need arose.

♥ A financial, health or family need

A financial or family need often follows a decrease in household income, but it may also arise because of a life-changing event such as a medical diagnosis, changing care needs, family breakdown or the death of a family member.

Can we help you?

Community support and research

The Masonic Charitable Foundation looks beyond Freemasonry, making significant financial grants which help people to live happy, fulfilling lives and to participate actively in society.

To achieve this aim, grants are awarded to registered charities that provide support in the following areas:

♥ **Education and employability** for disadvantaged children and young people

♥ **Financial hardship** for those in poverty, debt or unemployment

♥ **Health and disability** for people experiencing chronic or life-limiting conditions and disabilities

♥ **Social exclusion and disadvantage** for those facing barriers to participating in society

The Masonic Charitable Foundation also provides funding to:

♥ **Advance medical and social research**

♥ **Hospices throughout England and Wales**

♥ **Air ambulance and rescue services**

♥ **Disaster relief appeals**

The charities supported by the Masonic Charitable Foundation make a significant and lasting difference to people in need. Our grants seek to benefit as many people as possible and further those causes about which Freemasons and their families have told us they are most concerned.

Through the work of the four Charities which have joined together to form the Masonic Charitable Foundation, Freemasons have provided support amounting to around £130 million to charities across England and Wales and overseas.

Supporting your new charity

Fundraising

We rely upon the generous donations of Freemasons and their families to enable us to provide our range of charitable support.

We do not fundraise from members of the public or use street collections.

Festival Appeals

Each year, four Masonic Provinces hold a Festival to celebrate their achievement in raising funds for our work. During the years leading up to the Festival, fundraising events and activities take place that make a significant contribution to our income.

There are many ways to fundraise including sponsored challenges and social events. We are extremely grateful to everyone who supports us.

Legacies

Legacy gifts make an important contribution to the funding of the Masonic Charitable Foundation. Every gift, large or small, can help to make a difference to those assisted through our support and services.

The Relief Chest Scheme

The Relief Chest Scheme is a free service that Lodges, Chapters, Provinces and other recognised Masonic organisations can use to manage their charitable giving efficiently.

The Relief Chest Scheme holds the funds in a dedicated account and uses its charitable status to provide a range of benefits to the donor, including reclaiming Gift Aid.

The services provided by the Relief Chest Scheme relieve the chest holders of the burden of administration of charity funds, therefore saving time and resources and allowing them to concentrate on fundraising.

Yes. The Masonic Charitable Foundation will support registered charities and causes in communities across England and Wales as well as medical research studies and disaster relief appeals at home and overseas.

Will beneficiaries still receive support that has already been agreed?

Yes. All grants that have been approved will continue to be protected.

Fundraising and Donations

What will happen in Provinces that are in Festival to one of the four separate Charities?

All current Festival Appeals will continue as planned supporting the Charity for which the Festival Appeal was launched. From 1st April 2016, donations will be used by the Masonic Charitable Foundation to provide grants and support in keeping with the remit of the Charity supported by the Appeal.

My Province is currently in Festival to one of the four separate Masonic Charities. Do I need to change my direct debit or standing order?

No. Please do not change or cancel any regular payment arrangements. All donations will continue to be received by the existing Charities and count towards Festival Appeals already launched. All donations will be used to fund charitable activities in keeping with the cause that the Appeal is supporting.

Will all future Festival Appeals be in support of the MCF?

Yes. The Festival system remains our most important fundraising method. All Festivals due to conclude during or after the year 2022 will support the Masonic Charitable Foundation.

Continued on next page >

Will I still be able to donate to one of the four separate Charities?

Yes. With the exception of Festival Appeals currently supporting the four separate Charities, it is preferred that new donations be given to the Masonic Charitable Foundation so that they can be used to meet the full range of needs across the Masonic family. However, you may donate to one of the separate Charities if you so wish.

General

Why was a review of the central Masonic Charities necessary?

The last major review of the Charities took place over 40 years ago. Much has changed since then, however charity remains a fundamental principle of Freemasonry. The Masonic Charitable Foundation will ensure that charitable support remains effective and adaptable in order to meet the future needs of Freemasons and their families.

What will happen to the funds of the four separate Charities?

The separate Charities will remain as legal entities in order to receive legacies and donations from the ongoing Festival Appeals. The Masonic Charitable Foundation will be the Corporate Trustee of the separate Charities and will allocate their funds for the purpose for which they were originally donated.
